Notice Concerning Recording of Fixed Asset Impairment Loss **(Extraordinary Loss)**

Ezaki Glico Co., Ltd. (the “Company”) hereby announces that it has recorded a fixed asset impairment loss (extraordinary loss) in the financial results for its fiscal year ended December 31, 2025 (January 1, 2025 through December 31, 2025), as described below.

1. Reasons for recording of impairment loss

The Company has given careful consideration to future recoverability of the assets of its powdered baby milk business, part of its Dairy Business, in accordance with Japan’s Accounting Standard for Impairment of Fixed Assets and taking into account the business environment and future prospects. As a result, it has reduced the book value of assets, used to manufacture powdered baby milk, to a recoverable level and has recorded an impairment loss of 3,393 million yen as an extraordinary loss.

2. Impact on earnings

The above extraordinary loss has been recorded in today’s announced Summary of Consolidated Financial Results (Japanese Accounting Standards) for the Fiscal Year Ended December 31, 2025.
